

TRIPLE-R 850

INCLUDES POSITION LIGHT

The iconic Triple-R range is upgraded for 2020/21. Boasting the very latest high efficiency LED technology, the Triple-R 850 is a high-performance driving light that delivers an impressive 6,930 lumens in the form of a spot beam pattern which is well suited to both road and off-road applications. The Triple-R 850 comes with the option to connect an amber or white integrated position/side light function, for when the requirement is for a light installation that gets noticed as much during the day as at night.
